

WEST VANCOUVER YACHT CLUB

2017 North Shore Sailing Team

Race Coach - Optimist Team

Race Coach - 420/Feva Team

West Vancouver is host to the North Shore Sailing Team, which is comprised of several clubs. We have seen a major increase in the number of team members over the last few years and expect the trend to continue. Last year we had teams of 420s, Lasers, Laser Radials, Laser 4.7s and Opti Green, White, Blue and Red. As one of the top three most active clubs on the BC Circuit, we have a group of sailors that range from casual competitors to those with dreams of competing at the World and Olympic level. We expect our coaches to have a passion for sailing and enjoy passing that on to others.

At this time we are looking for a coach for our Opti team and a double-handed coach for our 420/Feva teams. As a coach of our race training program you will be required to introduce basic sailing skills, develop existing skills and improve racing performance in a fun and safe environment.

Our training for these fleets starts in early April and wraps up in early November. Our scheduled days for training are Tuesdays and Thursdays, with regattas occurring throughout the year on weekends. Last year we attended regattas in Vancouver, Kelowna, Port Moody, Squamish, Whistler, Victoria, Comox, CORK, Seattle, Portland and Los Angeles. There is also opportunities for running weekend clinics on non-regatta weekends.

Our ideal candidate will have:

- Competed themselves, and have experience teaching that fleet or similar.
- Sail Canada instructor registration for 2017
- VHF operators certificate

Start Date: Early April, 2017

End Date: Late October, 2017

Please submit a cover letter and resume by March 1, 2017 to:
