**Q&A 2011-021**

*Published: 3 November 2011*

Boat A delivers a protest form to the jury secretary, protesting boat B in race 7. Shortly after the form is delivered, the boat's representative returns and says it was race 8, not race 7 and wishes to amend the protest form.

### Question 1

Should the jury secretary permit the competitor to amend the form?

### Answer 1

Yes. However, the jury secretary should notify the protest committee of the details of any change to the protest form, the identity of the person who made the change, and the time when the change was made.

### Question 2

Does it matter if the protest time limit has expired or not?

### Answer 2

No. It is up to the protest committee to decide on the validity of the protest.
