

Athlete Selection
2019 Test Event – Aug 15-23, 2019
Enoshima, Japan

The High Performance Director (HPD) will approve athlete selection to attend the 2019 Test Event in Tokyo based on the athlete/teams performance at the selection event.

Exceptional circumstances will be taken into consideration by the HPD in adding additional teams not fulfilling the before mentioned parameters. Sail Canada does not plan to send a “full” team to the test event, rather the intent is to be selective to ensure maximum benefit from the experience.

As much as the Test Event is a quality opportunity for athletes and coaches to gain insight into competing in Tokyo (Enoshima), Sail Canada is committed to sending a quality team capable of both competing at an elite level during the event but also in gathering information that will benefit future performance at the 2020 Tokyo Olympic Games.

Timelines:

- a) The HPD will name selected classes/athletes to attend the 2019 Test Event by April 1st, 2019. Presently, selection is limited to one entry per nation per event.
- b) The HPD will determine the extent of financial support available to attend the 2019 Test Event, meeting the selection standard does not dictate receiving financial support.
- c) The HPD will name the support team including all coaches based on the previously mentioned priorities of ensuring maximum benefit to Sail Canada in preparing to perform at the 2020 Olympic Games.

Selection Event: - 2019 World Cup – Miami

The top performing eligible Canadian based on the Final Results of the 2019 World Cup – Miami will be considered for selection by the HPD.
