Purpose of the Athlete Assistance Program

The AAP recognizes the commitment athletes make to long-term training and competition programs and seeks to relieve some of the financial pressures associated with participation in international sport. In particular, the AAP provides direct financial support to Canadian high-performance athletes.

AAP financial support is subject to your availability and eligibility to represent Canada in major international competitions, including World Championships, Olympic Games or Paralympic Games. This includes participation in all NSO designated selection and qualification processes for any upcoming World Championships, Olympic Games or Paralympic Games. You must also sign and adhere to your Athlete/NSO Agreement.

Eligibility

Completion of this application form does not guarantee that you will be carded. You must meet all other Athlete Assistance Program (AAP) and National Sport Organisation (NSO) eligibility requirements, be nominated by your NSO and be approved by Sport Canada during the annual AAP review process.

IMPORTANT NOTICE

Annually, all carded athletes are required to complete the CCES’s True Sport Clean 101 and the Sport Canada – Athlete Assistance Program on line courses prior to their AAP payments being processed.

You will receive an e-mail from the Athlete Assistance Program inviting you to complete these courses and providing instructions on how to do so.
I WISH TO ACCEPT AAP FINANCIAL SUPPORT

I WISH TO DECLINE AAP FINANCIAL SUPPORT

I AM DECLINING AAP financial support with the understanding that this financial support will be reallocated to another athlete within my sport who qualifies for AAP support.
