

Toronto Island Sailing Club is an adult Community based Sailing Club on Toronto Island in Toronto.

We would like to run a Cansail 5 and maybe Cansail 6 Course on weekends in September. We are looking for an Instructor. Class composition will be 6 to 8 very keen adults

The Club is located on Toronto Island, information about the Club can be found at “torontosailing.com”

Please respond to:

education@torontosailing.com

with a course outline, timing and costs.

Many thanks,

Allan

Applied Skill Acquisition

CANSail 5 – Basic integration of racing. CANSail 5 fully integrates boat handling with tactics and strategy. Sailors are also introduced to the concept of rig tuning and its relation to boat trim and conditions. Sailors participate in a one to two-day local regatta.

· Relation to LTSD – Learn to train stage

CANSail 6 – Full integration of racing. CANSail 6 fully integrates boat handling, sail trim, and rig setup with racing. Sailors train to perform all skills within a competitive race setting in order to achieve accurate sailing within a regatta and in all conditions. Sailors participate in a regional or provincial regatta.

· Relation to LTSD – Learn to train stage
