Instructor and Coach Positions for Summer 2019

The Central Okanagan Sailing Association (COSA) is now hiring for the 2019 season. COSA is one of North America's largest sailing schools with over 3000 students hitting the water every year. Located in Kelowna, BC, on the shores of Okanagan Lake, COSA is a true small-boat club. With a membership of less than 100 families, it is our Award-Winning Learn to Sail program that draws participants from around the Pacific Northwest. We are looking for 2-4 Sailing Coaches to join our team of 12-15 sailing instructors and coaches.

Coaches love working at COSA because:

- We offer an excellent wage package and a guaranteed salary with fulltime hours.
- Our large fleet of sailboats is race ready.
- Our coach boats are the best.
- Resources and equipment to make your job easier.
- We have a laid-back, professional work environment.
- Billeting opportunities close to the club and other amenities.
- Kelowna is one of the most beautiful places on earth.
- The membership and board is 100% behind Learn to Sail and Youth Racing!

Some of our resources include:

- 6 distinct teaching areas around the club plus easy access to the water.
- 4 Whalers and 1 brand-new 17' RIB.
- Several fleets of boats in new or like-new condition.
- 12 new windsurfers/SUP's and 3 new Hobie's to make things interesting.
- An amazing Race-Team trailer plus other travel trailers.
- A club designed around Learn to Sail and Youth Racing.

What to expect:

We are looking for experienced coaches and instructors who have certification appropriate to the level that they are teaching. COSA Coaches are fun, creative, and love to have a good time. In return, we promise a **guaranteed salary at 40 hours a week from the beginning of May until the 3rd week of August** (flexible if necessary). If you're ready for the best summer of your life, e-mail:
