

## RCYC Sailing Instructors and Coaches 2018

The Royal Canadian Yacht Club's Junior Club has been introducing new sailors to the sport of sailing for over 90 years. We are an active sailing club with many Olympians, excellent member support, and a beautiful atmosphere to teach in.

Looking forward to 2017, we will continue the longstanding tradition of committed, excellent instructors. RCYC wants Instructors that have demonstrated a strong interest in sailing, children, and their development.

If you are enthusiastic, responsible, and creative when it comes to sailing, we want to hear from you!

Coaching positions are available in areas from introductory sailing to competitive racing. Program offerings span the entire CYA Learn to Sail curriculum in addition to very active Optimist, Laser Radial, 420, and 29er racing divisions. There are also part time evening, weekend, and full time Adult Learn to Sail instructor positions. The RCYC approach to instructing is to provide as much support as we can to each instructor. As an important part of our team, we aim to provide our instructors with the tools they need to make significant and lasting contributions to the experience of each of our participants.

Successful candidates have:

- Currently Instructor Certification or equivalent experience, with a minimum of one year experience instructing
- Current First Aid & CPR (or equivalent) certification
- Current Pleasure Craft Operator's Card

What we offer:

- An excellent work environment
- Free uniforms
- Competitive salaries commensurate with experience and qualifications
- The flexibility for you to race. Instructors are strongly encouraged and supported to remain active in the sport

Our program begins mid-June and concludes September 1st. Spring and fall positions are also available.
