

VOLVO CARS VOLUNTEER OF THE MONTH BÉNÉVOLE DU MOIS D'AUTOMOBILES VOLVO CANADA

**Sail Canada Announces
Volvo Cars Volunteer of the Month
for
May 2016**

**Warren Nethercote
St Margaret Sailing Club**

Warren is a tireless contributor to his club, the province of Nova Scotia, Sail Canada, and regattas around the world. A continuously active volunteer at St Margaret Sailing Club, he has been on the club's Board of Directors for a number of years, only very recently stepping down.

Warren's leadership has been evident with Sail Canada's Training & certification Committee - Chair from 2010 - 2013, and continued as a contributing member through 2015.

A leader in the training and development of Sailing Judges, Warren was active with Sail Canada's Judges Sub-committee for decades. As an International Judge, Warren holds a wealth of knowledge and experience from his many appointments on sailing juries around the world.

Warren finds some time for himself – he is an avid ice-boater in the winter, and enjoys sailing a Soling in the summers. His volunteering touches so many – you will still find him volunteering as a Judge at regattas up and down the Atlantic Seaboard and at local, provincial & national US and Canadian sailing championships!

The [St Margaret Sailing Club](#) is a Member Club with Sail Nova Scotia and Sail Canada. A registered CANSail Training Site, SMSC's Sailing School delivers CANSail dinghy programming for youth and Keelboat training for adults. They run weekend & weeknight racing for their members. Each year SMSC hosts the famous Bay Wind Regatta, and is renowned for hosting class championships at all levels, and the Sail Canada's Sail East & National Youth Championships.

About Volvo Cars of Canada

Volvo Cars of Canada Corporation is part of the Volvo Car Group of Gothenburg, Sweden. The company provides marketing, sales, parts, service, technology and training support to the 38 Volvo automobile retailers across the country. The S60, S80 and XC60 are among only 22 vehicles that have been awarded the prestigious new Top Safety Pick+ by IIHS (Insurance Institute for Highway Safety). Volvo Cars is committed to Vision 2020, our goal that no one shall be killed or seriously injured in a Volvo by the year 2020.
