## Head Race Bosun

We are looking for a dynamic, organized, and knowledgeable individual with good communication skills and a passion for the sport of sailing to manage weekly club sailing program races for 2018. The ideal individual will have experience at the Sail Canada Race Management Level I/II (Assistant or Club Race Officer).

Reporting to the club's Fleet Director, this is a part-time position (weeknights and some weekends) from April to October with some scheduling flexibility. Salary is hourly and commensurate with applicable experience and certifications.

**Deadline for applications – March 31, 2018**

### Primary Responsibilities:

The NSC Race Bosun team is responsible for the overall management and quality of weeknight club sail racing and weekend events. As the Principal Race Officer, the Head Race Bosun duties include:

- Managing equipment, scheduling, and overseeing the direction and development of Senior and Junior Race Bosuns.
- Overseeing the professional management and execution of scheduled races including acting as the Principal Race Officer.
- Coordinate member volunteers and apply NSC's club RC Volunteer system.
- To professionally run fair and enjoyable competitive races in accordance with the Sailing Instructions, Racing Rules of Sailing, and NSC Bosun Guidelines.
- Ensure that club boats and gear are properly equipped and maintained.
- Operate boats and oversee volunteer safety using common sense and training.
- Perform other general club Bosun duties as directed.

### Minimum Qualifications:

- Pleasure Craft Operator Card (PCOC)
- VHF Radio operator's certificate
- Current Standard First Aid and CPR-C
- Sail Canada Race Officer Level 2 (CRO)
- Current knowledge of the Racing Rules of Sailing
- Previous experience as a club Race Course Officer

### Additional Qualifications and Experience:

- Sail Canada Silver VI or CANSail 5
- Lifesaving Society Boat Rescue Course
- NSC Scoring or Race Management Seminar

### ABOUT US

Our club boasts excellent facilities, equipment and a friendly atmosphere conducive to learning. Our club Sailing Program and racing fleet is one of the largest and most comprehensive in Canada. The club's Race Bosun team plays a key role in the success of our program and is highly regarded for its demonstrated excellence in club race management. NSC strives to create a dynamic, positive and supportive environment for its Race Bosun team to excel, and offers multiple training and developmental opportunities as part of this role.

Information on NSC's Sailing Program can be found at: [www.nsc.ca/racing](http://www.nsc.ca/racing).
