

VOLVO CARS VOLUNTEER OF THE MONTH BÉNÉVOLE DU MOIS D'AUTOMOBILES VOLVO CANADA

Volvo Cars Volunteer of the Month for September 2015

- Dan Steinitz - Bay of Quinte Yacht Club -

Dan is not your average volunteer.....he leads by example. When the Bay of Quinte Yacht Club thought of creating a dinghy fleet Steinitz was instrumental in raising awareness amongst the membership and through the community. Dan gathered sponsors and donations to support the club's race team, resulting in more support than the club had ever seen before. The support allowed the club to purchase a fleet of Optimist Dinghies and Lasers. He didn't stop there.... Steinitz went on to build a trailer to carry the boats to events, allowing the youth to travel to races throughout the summer.

Members at the Bay of Quinte Yacht Club call Dan's enthusiasm contagious! It seems everyone he talks to wants to get involved and volunteer – even those whom have never stepped aboard a boat!

Volunteer positions held:

- Sailing School Committee Member
- Race Team Manager
- Donation and Sponsorship Program Member
- Boat and Trailer Builder

The [Bay of Quinte Yacht Club](#) is a Member Club with Ontario Sailing and Sail Canada. The Club's sailing school is a registered [CANSail Training Site](#), delivering [CANSail Dinghy](#) & Sail Canada Keel Boating programs with certified Instructors. BQYC runs weekly racing for dinghies and keelboats – with weeknight series and fixture weekend races running for PHRF, One Design and Ladies-only fleets throughout the season.

About Volvo Cars of Canada

Volvo Cars of Canada Corporation is part of the Volvo Car Group of Gothenburg, Sweden. The company provides marketing, sales, parts, service, technology and training support to the 38 Volvo automobile retailers across the country. The S60, S80 and XC60 are among only 22 vehicles that have been awarded the prestigious new Top Safety Pick+ by IIHS (Insurance Institute for Highway Safety). Volvo Cars is committed to Vision 2020, our goal that no one shall be killed or seriously injured in a Volvo by the year 2020.
