2022 Canadian eSailing National Championship

Community Event Guidelines

Groups are invited to organize their own eSailing events and submit the results for consideration to be included in the Community Event stream of the Championship.

Criteria for inclusion:

1. Minimum 5 races
2. Minimum 5 players per race
3. Hosted or overseen by an affiliated club or other recognized organization
4. Scored as a series using a recognized points system such as RRS Low Points or VRI High Points (screenshots of individual race results will not be accepted)
5. Submitted via this form: <https://forms.gle/EMhLPFchGzPkWDaq9>

For all events that meet the above criteria, one player will qualify for the Community Event stream semi-final. Each of the following event attributes will qualify one additional player, to a maximum of three players total.

- a. 10 or more players per race
- b. 20 or more players per race
- c. 15 or more races

The players who qualify will be the top ranked players for the event.
