1.0	Call to Order	Meeting opened at 1301 EDT.	
2.0	Approval of Minutes	Approval of the minutes of the meeting of 8 May was moved by J. Jospe and seconded by K. Coleman Nicoll. Motion carried without amendment.	
3.0	Matters Arising	<p>3.1 Respect for Sport (S. Crothers): Sail Canada has submitted a proposal for sponsorship of the Respect for Sport program to a private foundation actively involved in amateur sport.</p> <p>3.2 Rule 69 Advisory Panel (W. Nethercote): Invitations have still to be made. Action: W. Nethercote to continue invitation process for advisory panel members, initially IJs resident in Canada. Action: E. Turner to draft advisory panel announcement copy for next judge newsletter.</p> <p>3.3 Budget Proposals (S. Crothers) Manitoba, Ontario Quebec, Nova Scotia, Prince Edward Island and Newfoundland and Labrador had replied to Sail Canada, indicating that funding was available for officials' development, either from the PSA or, more often, from the provincial sport body. <p>4.0</p>	<p>Work Plan</p>	<p>4.1 Certification Standards (defer to future meeting):</p> <p>4.2 Testing (Lynne Beal):</p> <p>a. <u>Continuing Club Judge Test Experience (L. Beal for Testing WG)</u>: There had been no seminars since the last meeting but the Club Judge Sample Test had been updated and would be added to the Sail Canada Judges web page. Action: Lynne Beal to forward updated sample Club Judge test to Sam Crothers for installation on the Sail Canada web site.</p> <p>J. Jospe had completed development of the French version of the club judge test, together with the answer guide. There was direct correspondence with the English master test question bank.</p> <p>The club Judge test portion of the JSC Drop-box had been updated and reorganized.</p> <p>b. <u>Interim RJ/NJ testing via US Sailing (L. Beal for Testing WG; S. Crothers)</u>: Neither L. Beal nor S. Crothers had received notice of further use of the US Sailing test by Canadian judges.</p> <p>c. <u>RJ/NJ Test Development for October 2018 RJ/NJ Seminar (L. Beal for Testing WG)</u>: The testing group had been making good progress. J. Jospe had completed development of diagrams for scenarios used previously as text alone and a question format/logic tree for scenario-based questions had been agreed. Question development was progressing well, for both parts A (T/F) and B (multiple choice scenarios).</p> <p>The JSC reviewed the earlier decision to exclude Part C questions (scenario-based written facts, conclusions and decisions) from the test on the basis of subjectivity, and remained comfortable with the earlier decision. The inclusion of such questions had merit, but general experience was that downside issues had too often arisen from Part C questions.</p> <p>A current priority in the test development process was careful examination of the question bank to ensure that all necessary concepts were being examined, and that the balance of questions between concepts was appropriate.</p> <p>4.3 Training Materials:</p> <p>a. <u>Ongoing Experience with Club Judge Seminar Presentation (Mike Turner/Lynne Beal)</u>: There had been no Club Judge seminar since the last meeting.</p>	<p>L. Beal S. Crothers</p>
