À propos de SBYC / About SBYC:

In its 87th year, Sargent's Bay Yacht Club is a rustic sailing club nestled on the shores of Lake Memphramagog. Rooted in tradition, the club values underline teamwork, respect, safety and sportsmanship. As a not-for-profit organization, the junior sailing program has always run successfully thanks to the help of engaged family volunteers. Having fun and building confidence - both on and off-the-water - are what make this community club special.

INSTRUCTEUR DE VOILE / SAILING INSTRUCTOR

The candidate is an experienced sailor who has strong boat knowledge and a keen interest in teaching basic sailing to beginner, intermediate or advanced sailors.

Competence requises / Experience and Requirements:

- Minimum Grade 11 or be 17 years of age
- Min CANSail 1 & 2 Instructor level and proof of payment
- Min 2 years experience teaching sailing (depending on position level)
- Can demonstrate fun, safety and fundamental skills of sailing to young sailors, including basic rigging and ship shape daily storage of equipment
- First Aid/CPR Certifications or equivalent
- Pleasure craft operators card/license
- Ability to work in small team environment and be hands on in all aspects of camp operations
- Bilingual (French and English)

Aperçu du poste / Job Duties and Responsibilities:

- Ensure all campers are safety compliant and the well-being is first and foremost
- Help create an inclusive and fun learning environment
- Understand current CANSail 1 and 2 and/or CANSail 3 and 4 curriculums
- Work with supervisor to create weekly lesson plans

SARGENT'S BAY YACHT CLUB

- Help supervise campers daily arrival and departures
- Strong verbal communications skills for liaising with member parents and campers and Board members
- Manage equipment, supplies and ensure the Shack is well maintained
- Perform daily opening and closing duties, maintenance and cleanliness of sailboat fleet, coach boat(s), and coaching equipment
- Follow CanSail Coaches Code of Conduct
- Boat repair skills a plus; report any deficiencies to Equipment board member
- Work and lead campers in other activities during off-the-water periods
