

Alberta Sailing Association 2025 Report

The Alberta Sailing Association is moving forward under the great leadership of our Provincial Coach, Sophie Heldman, with the administrative strengths of Kathy Speck, Administrative Assistant, plus the amazing contributions from contract coaches, the sailing clubs/schools, the Board and other ASA volunteers. We have an outstanding group of individuals promoting sailing throughout the province and beyond.

The 'Alberta Series', a Long Series event that was started in 2017, continues to evolve. The regattas that counted were held at the CYC: Calgary Yacht Club Ice Breaker Regatta; WSC: Wabamun Sailing Club Founders' Regatta; GSC: Glenmore Sailing Club Driftwood Regatta; NSC: Newell Sailing Club Prairie Winds Regatta; and Provincials which were sailed at the WSC.

Our Youth program, thanks to athletes, parents, volunteers, clubs and club coaches, has continued to grow. We had 29'ers, C420's, Optis and ILCA 4, 6 & 7's participating in events across Canada and into the US and Mexico. Several ILCA Master sailors are travelling the world – training, competing and hitting the podium. The Youth, Masters and coaches are all very focused and driven, wanting more training and regattas.

The Canada Summer Games Team had an awesome time racing in Newfoundland – really hoping sailing can get back into this outstanding event!

We also had an abundant number of sailors participating in the Can Sail Instructor training courses – so enthusiasm is high in almost all areas of sailing.

The Alberta Sailing Association continues to be in a strong position with renewed enthusiasm, passion, hard work, determination, drive and commitment from our coaches, athletes and clubs/schools. The ASA is sailing into the 2026 season and beyond.

With much appreciation,
 Stacey Gibb (Wabamun Sailing Club)
 President – Alberta Sailing Association
